

Company Profile

we started out with a vision to deliver exceptional customer value with a zeal for service. This vision has helped us evolve and expand the business.

We have offices located in all the key markets across the world and enjoy a network of exclusive partnerships in every major city, port and hub. Our global presence ensures that our customers enjoy a seamless service experience everywhere, every time and in every country.

Our extensive portfolio of services, rapidly increasing geographical coverage and systematic operations have helped us establish ourselves as one of the leading freight Services Company in Egypt. We take great pride in being a part of the global WCA Network and WIN Network.

With freight forwarding as our core activity, we have diversified into logistics, removals, project cargo forwarding and outbound logistics; complementary services requiring similar infrastructure and capabilities. Making us one of the foremost integrated Freight Companies in the world.

We believe in investing in technology that adds value to our customers' experience by building automated processes, increasing efficiency in team-work and a growing a stronger global network.

Evolving each day to meet the dynamic needs of this Service, we have successfully networked ourselves in order to offer quality solutions for even the most complex service demands.

Our action plan is simple - identify customer needs, provide timely solutions, measure customer satisfaction and improve the speed at which services are brought to the customer's workplace.

Every Move a Success

With freight forwarding as our core activity, Pyramids Freight Services (PFS) is an operating integrated shipping related services ranging from NVOCC, logistics, shipping, international trade consultants, sea, air freight forwarding and customs brokerage among leading custom clearance agents, diversified into logistics, removals, complementary services requiring similar infrastructure and capabilities. These ventures, though established fairly recently, have also turned into viable profit centers contributing to the continued growth of our business while offering excellent service to the respective industries. Making us one of the best integrated Freight Services Solutions companies in Egypt.

Our Business intelligence Unit (BIU) is dedicated for analyzing and studying the different trades and preparing reports which allows to approach the top clients and also understanding the shipping market.
